

REMARKS

Claims 1-37 are pending.

The claims have been amended to eliminate multiple dependent claims, without prejudice or disclaimer. The specification has been amended to add an Abstract of the Disclosure and to include a cross-reference to the parent applications.

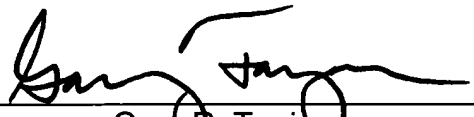

Form PTO-1449 listing documents cited in the Int'l Search Report of the parent PCT application is attached. No further copies of the documents are being submitted as they were previously considered in a parent application which is relied upon for priority, but please contact the undersigned if copies are needed because they are missing from the PTO file. Also listed on Form PTO-1449 is the Int'l Search Report.

As provided by 37 CFR §§ 1.97(g) and (h), no representation is being made that a search has been conducted or that this statement encompasses all possible material information. Furthermore, no inference should be made that this information or the cited references are prior art merely because they have been submitted for consideration. Consideration of the foregoing and enclosures, as well as the return of a copy of the Form PTO-1449 with the Examiner's initials per M.P.E.P. § 609, are earnestly solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
